

Partners and Funders

The Dynamic Dunescapes project wouldn't be possible without our partners and funders

Dynamic Dunescapes is a £10m partnership project between 7 organisations and is funded by the National Lottery Heritage Fund, the EU LIFE Programme, and the project partners.

Our partners

Work at each of our dune sites is supported and managed by one or two of our project partners. Use the links below to find out more about each of our partners and the great work that they do. We work closely to ensure that learnings and support are shared

Natural England

Natural England is the government's adviser for the natural environment in England, helping to protect England's nature and landscapes for people to enjoy and for the services they provide, by creating partnerships for nature's recovery. It is an executive non-departmental public body, sponsored by DEFRA.

Cumbria Wildlife Trust

Cumbria Wildlife Trust is the only voluntary organisation devoted solely to the conservation of the wildlife and wild places of Cumbria. The Trust stands up for wildlife, creates wildlife havens, and seeks to raise environmental awareness. Formed in 1962, the Trust cares for over 38 nature reserves you can visit, campaigns for the protection of endangered habitats and species such as limestone pavements and red squirrels, and works with adults and children to discover the importance of the natural world.

Our funders

Dynamic Dunescapes is funded until September 2023 by the National Lottery Heritage Fund, the EU LIFE Programme, and the project partners.

The National Lottery Heritage Fund

Dynamic Dunescapes is supported by The National Lottery Heritage Fund. The National Lottery Heritage Fund is the largest dedicated funder of heritage in the UK, distributing National Lottery grants, funding projects that sustain and transform the UK's heritage, providing leadership and support across the heritage sector, and advocate for the value of heritage.
