

Hello,

With Easter just around the corner Spring really is in full swing - admittedly, with a slight dusting of snow in some parts of the UK!

Our coastal birds have returned to their breeding grounds and the wildflowers are starting to appear just in time for us to begin celebrating [World Sand Dune Day again](#). Mark your calendars for **Saturday 25<sup>th</sup> of June** and keep an eye out for all the events and activities coming your way. There's even a sneak preview further down this email.

As the major winter works season has drawn to a close, we've been focussed on making our dunes accessible and enjoyable for everyone. Our [Lincolnshire team have created a video](#) to help highlight the facilities and access available at Gibraltar Point and our [events page](#) has lots of opportunities for you to get involved and learn more about the dunes. We've also given our school page a revamp for the launch of our [Education Resources](#) – find out more about these, and everything else we've been up to, below.

Don't forget, you can get regular updates when you follow us on [Facebook](#), [Twitter](#), [Instagram](#) and [YouTube](#).

With best wishes,

Emma
