Interview with potential candidates – 9<sup>th</sup> September 2022

Start date – 19<sup>th</sup> September

### Details

Dynamic Dunescapes is an ambitious project restoring sand dunes across the UK for people, communities and wildlife. The project is funded by the National Lottery Heritage fund and EU LIFE programme and involves seven partners including Natural England and Lincolnshire Wildlife Trust.

Lincolnshire Wildlife Trust is a voluntary charitable organisation which cares for Lincolnshire's wildlife and countryside. Founded in 1948, the Trust covers the whole of the historic county of Lincolnshire - from the Humber to the Wash.

As part of the Dynamic Dunescapes project, pieces of art have been created by schools, student societies, residential care homes, holiday makers and community support groups, to be shown in the 'Art of saving Sand Dunes' Exhibition. More information about the exhibition can be found in the Project Brief.

### Value

£3,000 including VAT, of which £750 has been set aside for materials.

Please confirm whether you would be interested in tendering for this opportunity and send your CV by no later than 5pm on 1<sup>st</sup> September 2022.
